Cause of defeat Today → Kibe

Kibe of third. 2012 was the start of the bittersweet. For the bat condition of his shulder to might be converting it to a second ?

サード木部。ほろ苦い2012スタートとなってしまった。肩の調子が思わしくないためセカンドへコンバートがありえる?

Counterattack soon ! by Yano's Sacrifice fly !

矢野の犠牲フライですぐさま反撃!

The opening game at early February, I found that we can play baseball in this time surprisingly. The game was but playball that first opponent batter was on base to the error, Be lose first to score. But back in the attack, Great Yano beated sacrifice fly, returned a point.

真冬でも意外と野球ができることがわかった2月上旬の開幕戦。新年のプレイボール打者をエラーで出塁させてしまうという幸先の悪いスタートで2点を先制される。しかし裏で矢野が流石の犠打で1点を返す。

Stable pitching Yoshikawa ! Come from behind in the middle!

吉川、安定感ある投球! 中盤に益子、吉越で逆転!

Yoshikawa's pitching was perfect with no walks, twist opponents around his finger. The game passed good rhythm for sengakuz, in third top batters was on base, 4th Mashiko and 5th Yoshikoshi reversed in large score of 5 runs. The victory seemed sure whether.

吉川は無四球の完璧なピッチングで相手打線を手玉にとる。良いリズムで中盤が進むと、3回に3連続四球で上位が出塁。4番益子、5番吉越で5点の大量得点で逆転。勝利をものにしたかと思われた。

That can't be true ! Defeat with large run last round !

最終回に大量失点でまさかの逆転負け!

The last inning, was the first batter on base again with an error, followed batter was hit, then followed by an error also became the bases loaded. Then opponent done well grand slam. Was reversed beautifully, was reduced to a pitcher of opponent as it was.

最終回、またもやエラー先頭打者を出塁させてしまうと、続く打者にはヒット。その後もエラーが連続してしまい満塁となる。ここで相手打者にアッパレの満塁HR。見事に逆転されてしまい、そのまま相手ストッパーにおさえられた。
